

# Breathe easier.

## You can with an ENERGY STAR® qualified dehumidifier.

Room dehumidifiers help improve your health and comfort by removing excess moisture from the air, reducing allergy symptoms and eliminating odors. ENERGY STAR qualified dehumidifiers are 15% more efficient than non-qualified models. That can add up to over \$480 in savings over the life of the unit.

## Receive a \$20 rebate from LIPA

Purchase an eligible ENERGY STAR qualified room dehumidifier and receive a \$20 rebate from LIPA. Offer good through December 31, 2011

*Working with you for a more energy-efficient Long Island.*
